Former Magazine Editor Turns Personal Struggle with CRPS into Joy-Filled Children's Book — Reaches #1 New Release on Amazon

R. Glover launches Holy Giggles™ Press with a faith-filled children's story created to bring laughter, kindness, hope, and joy to young readers

(NASHVILLE, TENNESSEE) — July 15, 2026 — After more than 25 years in the publishing industry, including serving as editor of Nashville Arts & Entertainment Magazine, R. Glover never imagined one of life's most difficult health seasons would lead her back to publishing—this time as an author.

Her debut children's book, ***Holy Giggles™: Adventures & Giggles from Galilee***, recently launched on Amazon and reached #1 New Release in Amazon's Christian Nonfiction Humor category.

The book also marks the official launch of Holy Giggles™ Press, a new publishing imprint created to share faith-filled books and uplifting stories for children, adults, and families.

The inspiration for Holy Giggles™ grew from a deeply personal season in Glover's life. After facing a painful and life-changing health struggle with CRPS ~ “Complex Regional Pain Syndrome”, she began praying that something difficult could be transformed into something that would bring joy to others.

That prayer eventually became a children's story.

“I prayed that God would help me turn something painful into something that could bring joy,” said Glover. “My hope is that children will laugh, families will connect, and young hearts will be reminded of how deeply God loves them.”

Written for children ages 4–8, Holy Giggles™: Adventures & Giggles from Galilee follows four cheerful young angels—Sunny Grace, Benny Bright, Joyful Jack, and Ryder Ray—as they travel from Joy Station to Galilee on a special assignment to share kindness, encouragement, hope, and plenty of giggles with those who need them most.

Throughout their adventure, the four friends discover that even the smallest acts of kindness can make a meaningful difference.

The story combines gentle Christian themes with humor, colorful illustrations, and a message designed to encourage both children and the adults who read with them. At the heart of the book is a simple reminder: joy can grow when it is shared.

“With God, every little giggle becomes a great adventure,” Glover said.

Glover's return to publishing brings her career full circle. Before becoming a children's author, she spent more than 25 years working in publishing in Nashville, Tennessee. Her experience included serving as editor of Nashville Arts & Entertainment Magazine.

Today, she is building Holy Giggles™ Press around a broader vision of creating uplifting, faith-centered books and materials that encourage readers across generations.

Holy Giggles™: Adventures & Giggles from Galilee is now available on Amazon.
